## GUARANTEE

We guarantee to dig, pack and ship good, clean thrifty, well grown trees and plants, in good growing condition. Failure may result from improper planting, lack of moisture, frosts, floods, over-fertilization etc., and we cannot guarantee continued growth after stock is planted on customer's premises because this is entirely beyond our control.

① **TERMS:** Our terms are net cash with order. Remittance may be made by Postal Money Order, Postal Note, Express Money Order, or personal check. Alabama shipments require 3% Sales Tax.

Add 20% for postage and handling charges on Parcel Post orders.

Send us your want list for items not listed.

## TERMS

Unless cash accompanies an order the shipment will be C.O.D. We cannot afford to carry on an extensive credit business over all the Southern States, and, as you know, it is less expensive to you if the plants are not sent C.O.D.

Plants are packed by us and billed F.O.B. with Certificate of Inspection, from our shipping point.

Shipments travel as cost and risk of the purchaser and claims for any cause must be made on receipt of goods.

If any nursery stock proves untrue to description under which it is sold we shall be liable to the purchaser only to the extent of amount of the purchase price of such nursery stock, and we, except to such aforesaid agreed liability, give no warranty expressed or implied as to description, ability, productiveness or any other matter
